Renovation works
—Sowmi temple at Belur.

Muz File No. 91 of 1936-37 General and Secretar

An estimate amounting to Rs 19,900 for the renovation works of the Sri Channakesavaswami temple was sanctioned in the G.O. dated 17th Feb 1937 The Executive Engineer, Hassan Division, States in his letter dated 8th March, 1937 that works to the extent of Rs 19,900 have been executed already and that there have been excesses over the estimated provision in the case of Saluvankap, car shed, Sukhanasi and Garbhagudi roofing. He requests an additional ~~add~~ grant of Rs 15,000 The D.C. Hassan Dist recommends for an extra grant of Rs 15,000 as an advance from Government this year subject to the condition of its being reimbursed from the grant to be made out of the Bhatkan Savings Fund next year.

The D.C. States that it is neither possible to shorten the period of renovation nor to make any additional amount available having regard to the financial position of Bhatkan Savings Fund and the innumerable calls on it and leaves the matter for the orders of Government.

Submitted for orders

The Muzrai Comr. states that an estimate of the additional

Renovation of Sri Channakesavaswami temple at Belur

Serial No.

items of work said to have been undertaken have been furnished. May the Chief Engineer be requested to note why this was not done and to submit estimates for

9/38

The letter of M.C is for perusal. The M.C. states that it is not possible to advance the sum of Rs 15,000 now applied from the Chattram Savings Fund in the current year in addition to the sum of Rs 15000 already paid from the said Funds, and applies sanction for an advance of Rs 15000 from the State Funds for the completion of the renovation works. The Financial Secy may perhaps be consulted.

4) 9/8/41.

Gen Secy).

GENERAL SECRETARY. 8 APR. 1937 1238

5) The PWD knew the amount available for expr and should not have exceeded it to the extent of Rs 15000/-

6) After this amount is now advanced and recouped from the grant of Rs 19000 which will be made for 1937-38 only Rs 4000 will be left for use in the next year. That this will be sufficient for the work to be done in 1937-38 is not stated If it shd be insufficient, an additional grant or an advance would have to be made next year also and in effect

The Hon'ble Secy
First Member

The execution of works without previously getting an estimate prepared and sanctioned by the competent authority and provision of funds, which has unfortunately become a regular feature in the Public Works Department, is highly irregular and should not be permitted to be continued in the financial interests of Government.

As regards provision of funds, it is not clear why an advance from Government to the Chattram Savings Fund is considered necessary. According to the sanctioned budget estimates of the Chattram Savings Fund for the current year, the estimated closing balance of the current year is Rs. 36,771. The required additional allotment may be sanctioned out of the closing balance of the Fund.

Serial No.

Rs 34,000. The balances to be provided for the Remodelling the work at the estimated cost of Rs 52,500/- will be Rs 18,500. The M.C. requests Government to provide this amount in the Chatham Savings Fund Budget Estimates for 1937-38

13) The M.C has pointed out that it will not be possible to meet the proposed extra cost of Rs 4953 from this Fund under any circumstances.

14) Points for orders

(i) Sanctioning Rs 1500 from the closing balance of the Chatham Savings Fund for 1936-37

(ii) Providing Rs 18,500 in the Budget Estimates of the said Fund for 1937-38

) Subject with reference to para 9 supra

10) The Surveyor Gen. is prepared to advance Rs 15,000 required for the renovation works out of the Chatham Savings Fund during the current official year. He states that the sum of Rs 52,500 sanctioned for the renovation works will not be sufficient and that an additional

BJS 14/5

Serial No.

sum of Rs 9955 may have to be sanctioned for the renovation works. He proposes that this additional sum of Rs 9955 may be met out of the allotments of the Public Works Dept. But G.O. No. G. 6045-105 G. Rev. 1941-7 dated 14th Sept. 1920 lays down that the cost of preservation and maintenance of Amaravati institutions in service, which are ancient monuments, should be met out of the funds of the institutions or from the Amaravati grant. It is not clear why the Amaravati Comr. thinks that it is not possible to meet the additional expenditure of Rs 9955 out of the balance of the Chatram savings fund in future years. It is a point for consideration whether the annual income of the fund is not sufficient to meet it.

vide page 405 — Amaravati Manual.

14.5.37.

The M.C. in his Letter dated 25th March 1937 stated that it was not possible to sanction an advance of Rs 15,000 from the Chatram Savings Fund in addition to a sum of Rs 19,000 provided for this purpose for the year 1936-37 and which amount had also been paid and had recommended that the advance amount of Rs 15,000 noted for

renovation

to complete the walls on hand from other funds

The M.C. in his letter dated 11th May 1937 states that he has considered again the financial position of the Chatram Savings Fund and he is now of opinion that it is possible to advance an additional sum of Rs 15,000 for the renovation walls to be completed as a sum of Rs 35,703-7-3 is available at the credit of the Chatram Savings Fund during the year 1936-37, though the provision made for this purpose was only Rs 19000, but the actual expenditure has been Rs 23976, and the M.C. now states that deducting the additional payment of Rs 15,000 now prayed for, and even minus considering the sum of Rs 4976 made available from the savings of previous years, the Irrigation Department will have to pay a sum of Rs 18,500 to make up the sum of Rs 52,500 allotted for this work, and that he is prepared to provide a sum of Rs 18500 in the budget estimates for the year 1937-38, and make it available for expenditure during next year, provided all the renovation walls are completed by the end of June 1938, and that it is not possible to meet any ~~other~~ expenditure in excess of Rs 52,500 by the Irrigation Department, and the excess expenditure

To

Vedavyasachariya, Esq.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
General Department.

GENEP
25 MAR 1937
Secy
Sir,

Renovation works of the Sri Chamundeswari temple at Nanjangud.

Adverting to correspondence ending with [illegible] dated 17th February 1937, sanctioning, among others, estimates amounting to Rs.19,900 in respect of the above during the current year, I have the honor to forward herewith a copy of letter No. [illegible] dated 16th March 1937 together with a copy of its enclosure received from the Deputy Commissioner, Hassan District, requesting that an extra grant of Rs.1000 may be obtained as an advance from Government for this year, subject to the condition of its being re-imbursed from the grant to be made out of the Chattram Savings Fund next year.

2. The Executive Engineer states that there have been increases over the estimate provision in the case of (i) Gopuram [illegible] (ii) [illegible] and (iii) Dukhan si and Garbagudi roofing, but he has neither furnished revised estimates nor a comparative statement. He further states that as the work has been organised, skilled labour recruited and a Sub Overseer also specially deputed, it will be advantageous to complete the works taken on hand as quickly as possible and that the person to whose notice the matter was brought when he visited Nanjangud on the last occasion, was pleased to order that the works now undertaken be pushed to completed expeditiously. No estimates even in respect of the additional items of work said to have been undertaken have been furnished but it is not known whether at least the Renovation Committee was consulted and their agreement taken to proceed with further works.

3. The Executive Engineer saw me at Bangalore on 10th February 1937 and asked for additional grants for the current year and I made him clearly understand that it was absolutely impossible to make available anything more than Rs 19,000 from the Chattram Savings Fund during the current year and that the expenditure should, therefore, be strictly confined to the sanctioned grant, additional items of work not provided for in the sanctioned estimates being deferred till next year. The Muzrai Department has been doing all that is possible for the restoration of this temple and my letter No.C.686/35-36 dated 7th May 1936 addressed to you, explains the circumstances under which I agreed to contribute a sum of Rs 52,500 for the renovation of the Belur and Halebid temples, the expenditure being spread over three years from 1936-37. It is neither possible to shorten the period nor to make any additional amount available, having regard to the financial position of the Chattram Savings Fund and the innumerable calls on it. An expenditure of Rs 19,000 has to be budgetted for the year 1937-38 (vide para 4 of letter referred to above) and this amount will be provided for in the budget estimates of the Chattram Savings Fund for the next year. In view, however, of the circumstances brought to notice by the Executive Engineer, it is for Government to sanction an advance of Rs 15,000 from their funds to complete the works taken on hand. The advance may be recouped from the provision to be made in the budget estimates of the Chattram Savings Fund for 1937-38.

I submit the matter for the orders of Government.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

Bangalore.

SIR,

17 MAR 1937

Renovation works to Sree Chennakeshavaswami temple at Belur..

Adverting to Government Order No:C.1168-C/Huz.31-37-5 dated 17th February 1937 sanctioning among other things an estimate for ₹18,000/- for the above work, I have the honor to state that the Executive Engineer, Hassan Division states in his letter no. [illegible] dated 5th March 1937 that the out-lay booked on the work up to the end of February 1937 is ₹ 16,000/- and that the works to an extentof ₹ 2,000/- have to be measured and paid for.

It is also stated by him that there have been slight excesses over the estimate provisions in the case of constructing Balumantap and car shed due to extra foundation and other unforeseen causes and that the repairs to the roof of Sukhanasi and Garbhagudi are also likely to cost more than the provisions made in the programme. The amount required for completing the works put on hand is roughly estimated to be ₹18,000/- as per details furnished hereunder.-

1.	Paving front platform andcompleting steps ..	1000/-
2.	Construction of car shed	5000/-
3.	Acquisition of houses and formation of yard ..	3000/-
4.	Dismantling smaller shrines and extending sub-antarala on the northern side. ..	3000/-
5.	Constructing smaller shrines in front ..	1000/-
6.	Re-roofing of Shkhanasi and Garbhagudi ..	5000/-

P.t.o.

Contd.

7. Miscellaneous works including cleaning work .. 1000/-
8. Preparing and installing Sri Ramanujacharya's image. 500/-
9. Installing Garuda, Dhwajastamba and Balipeeta. .. 1000/-

Total. 15000/- or
₹ 16000/-

In order to complete the works taken on hand as quickly as possible, the Executive Engineer requests that in addition a grant of ₹15,000/- may be made available this year.

The above facts are said to have been brought to the notice of the Government to be pleased to order that works now undertaken might be completed expeditiously.

Under the circumstances I request that an extra grant of ₹15,000/- may kindly be obtained as an advance from Government for this year subject to the condition of its being re-imbursed from the grant to be made out of the Chatram savings fund next year.

A copy of the Executive Engineer's letter under reference is enclosed for kind perusal.

I have the honor to be,
Sir,
Your most obedient servant,

for Deputy Commissioner,
Hassan District.

Letter No.690 dated the 5th March 1937, from the Executive Engineer, Hassan Division, to the Deputy Commissioner, Hassan District.

Re:- Renovation works of Sri Chennakesavaswamy temple at Belur.-

....

I have the honor to invite your kind reference to Government Order No.1153-6/Muz.91-36-5 dated 17-2-37 sanctioning among other things an estimate for ₹ 19,900/- for the renovation of Sri Chennakesavaswamy Temple at Belur and to state that the outlay booked onthe work up to end of February is ₹ 16,000/- and works to an extent of ₹ 2,500/- have to be measured and paid for.

There have been slight excesses over the estimate provisions, in the case of constructing Salmantap and construction of car shed due to extra foundation and other unforeseen causes. Now that the details are available, the repairs to the roof of Mukhanasi and Gharbhagudi are also likely to cost more than the provisions made in the programme.

Roughly speaking the amount required for completing the works put on hand is ₹ 10,000/-.:-

1. Paving front platform and completing steps.	1,000
2. Construction of car shed.	2,000
3. Acquisition of houses and formation of yard.	2,500
4. Dismantling smaller shrines and extending Salmantap on the Northern side.	2,000
5. Constructing smaller shrines in front.	1,500
6. Reroofing of Mukhanasi and Garbhagudi.	1,000
7. Miscellaneous works including cleaning work.	1,000
8. Preparing and installing Ramanujacharya's image.	500
9. Installing Garuda, Dhwajastamba and Balipeeta.	1,000
	₹ 15,000 or 10,000

The installation of electric lights and repairs to Goprams etc., costing about ₹ 15,000/- in all will be finished after the above mentioned works are completed. Thus roughly the total amount required for renovation works will be ₹ 50,000/-.

Government have sanctioned a sum of ₹ 10,000/- from the Chattram savings fund for all the three institutions and has arrived the recommendation to utilise the unspent balance of the renovation grants of the previous years amounting to ₹ 4378/- (Vide Order dated 17th Feby. 1937). Out of this, amount available for Belur temple will be ₹ 2,000 works to this extent have been executed already. The work has been organised, skilled labour has been recruited and a Supervisor has been specially posted for this work. It will be advantageous to complete the works taken on hand as quickly as possible. I would, therefore, request that an additional grant of ₹ 15,000/- may be made available this year. As the Muzrai Commissioner has stated to me that additional sum could not be found by him, but if the Government are willing to advance this sum, he would reimburse the same out of Chattram Savings Fund during July next, this matter was brought to the notice of the Dewan who was pleased to order that works now undertaken may be completed expeditiously. I, therefore, request that you will be so good as to obtain sanction of Government foran advance of ₹ 15,000/- for expenditure this year.

GENERAL SECRETARIAT 13 MAY 1937

SIR,

Subject.

Renovation work of the Sri Channakesavaswami Temple at Belur during 1936-37.

With reference to correspondence ending with your letter No.1430/Muz.91-36-7 dated 24/26th April 1937 regarding the above, I have the honor to state that for reasons fully explained in my letter C.No.686/35-36 dated 7th May 1936, I undertook to finance the scheme of renovating the Sri Channakesavaswami Temple at Belur, and the Sri Hoysalleswaraswami Temple and the Basti at Halebid to the extent of Rs.52,500/-, the expenditure being distributed as hereunder:-

	1936-37. Rs. a.p.	1937-38. Rs. a.p.	1938-39. Rs. a.p.
Belur Temple. ..	15,000-0-0	15,000-0-0	12,000-0-0
Halebid " ..	2,500-0-0	2,500-0-0	2,500-0-0
Basti. ..	1,500-0-0	1,500-0-0	
Total.-	19,000-0-0	19,000-0-0	14,500-0-0

This was approved in G.O.No.723-33/Muz.138-35-4 dated 26/27th June 1936. In accordance with this undertaking a provision of Rs.19,000/- was made in the Chattram Savings Fund budget for 1936-37 and the amount was also paid subsequently. Without limiting the works to the sanctioned amount of Rs.19,000/- the Executive Engineer prepared estimates of the aggregate value of Rs.29,600/- for works proposed to be carried out during 1936-37.

In this

In this office letter of the 15th August 1936, I as to how it was not possible to provide a sum in excess of Rs.19,000/- ~~xx xxxx~~ already budgetted for. In my subsequent letter of the 30th September 1936, I, however, recommended having regard to the special circumstances of the case that the Savings of the previous year's grants may be made available towards the cost of works proposed to be carried out during the current year. This proposal was sanctioned in G.O.No.1153-6/Muz.91-36-5, dated 17th February 1937 and estimates of the value of Rs.25,130/- were also sanctioned, the expenditure during the year being limited to Rs.23,976/- as noted in the margin. It may be stated here that the Savings of Rs.4976/- referred to above were also out of the amount contributed by the Muzrai Department from the interest earnings of the General Muzrai Fund and the contribution of the Department for the renovation works of 1936-37 should therefore be considered to be Rs.23,976/- and not Rs.19,000/-. For reasons explained in his letter dated 8th March 1937, the Executive Engineer has asked for an additional grant of Rs.15,000/- to be reimbursed from the grant of Rs.19,000/- to be made available from the Chattram Savings Fund for 1937-38. It was this additional grant that was recommended to be advanced from State Funds, subject to recoupment from the provision of Rs.19,000/- to be made in the Chattram Savings Fund for 1937-38. The Executive Engineer has repeated his request for the additional grant of Rs.15,000/- (Vide copy of letter dated 28-4-1937 enclosed) as he considers it desirable to complete all the works taken on hand by the end of June 1937.

From the provision made in the budget estimates of the Chattram Savings Fund.	Rs.19,000/-
From the savings of previous year's grants from the General Muzrai Fund. ..	Rs. 4,976/-

2. Since making my recommendation of the 25th March 1937, I have considered the financial position of the Chattram Savings Fund and I think it to be possible to make available an additional sum of Rs.15,000/- for renovation works to be completed during the year, as a cash balance of Rs.35,703-7-3 is available at the credit of

at the credit of the Fund on this date. Deducting this payment of Rs.15,000/- and even without taking into consideration the sum of Rs.4,976/- made ~~was~~ available from the Savings of renovation grants of previous years, the Luzrai Department will be liable for payment of a balance of Rs.18,500/- to make up the sum of Rs.52,500/- promised by it. If there are fair chances of completing the entire renovation works by the end of June 1938 and if a definite understanding is come to, that the slender resources of the Luzrai Department will not be further saddled with the cost of these works if any remaining after June 1938. I shall have no objection to provide for a sum of Rs.18,500/- in the budget estimates of the Chattram Savings Fund for 1937-38 and make it available for expenditure during next year. In the comparative statement furnished by the Executive Engineer, he foreshadows an extra expenditure of Rs.8,955/- both on account of the revision of the sanctioned estimates and certain other new works. I may be permitted to submit that it is not possible for the Luzrai Department to meet this excess expenditure if the proposals of the Executive Engineer materialise or any sum in excess of Rs.52,500/- and that all future expenditure connected with these temples should be met from the D.T.D. Budget. With these observations, I submit the matter for the orders of Government and solicit early instructions in the matter of paying an additional sum of Rs.18,000/- for the current year and to make provision for Rs.18,500/- in the next year's Budget.

I have the honour to be,

Sir,

Your most obedient servant,

Luzrai Commissioner.

Letter No.1718 dated 28th April 1937 from the Executive Engineer, Hassan Division, Hassan, to the Muzrai Commissioner in Mysore, Bangalore

---

Sri Channakesavaswami Temple, Belur.

I write to invite your kind reference to your letter No.Nil. dated 23rd March 1937 to the General Secretary to Government, re: the grant of an extra sum of Rs.15,000/- for completion of the works now taken on hand. I herewith enclose a comparative statement of works that were contemplated in the original programme and as carried out. The Renovation Committee which met on 21st April 1937 approved this programme and considered that the works to be done are also necessary, which have since been approved by the Dewan during his recent visit. I herewith enclose a copy of Dewan's Tour Notes relating to Belur Temple (Sri Channakesavaswami).

As it isdesirable to complete all the works taken on hand by end of June, I request that the sum of Rs.15,000/- asked for may kindly be advanced so that good progress may be secured from now. I brought these matters to your notice at Hassan Camp on 28-4-36 and I request

favour of

26

favour of early orders in the matter.

G.O.No.1783-88/Muz.138-35-4 dated 27th June 1936 sanctioning ~~that~~ the sum of -- Rs. 52,000 required to complete the renovation of the three historic temples at Belur and Halebid, ~~be met~~ from the Chattram Savings Fund, the expenditure being spread over a period of three years.

A

2. ~~Item No.33 (on the expenditure side)~~ and providing Rs 19000 ~~draft~~ for renovation of Belur and Halebid Temples ~~Rs.19,000~~" ~~in~~ the Budget estimates of the Chattram Savings Fund for the year 1936-37, ~~sanctioned in~~ G.O. No.230-31/Muz. 317-35-2 dated 10/11th August 1936 sanctioned

3. G.O.No.1153-6/Muz.91-36-5 dated 17th February 1937 sanctioning these estimates of the aggregate value of Rs.25,130 for -- renovation of the above temples out of the current year's programme, the expenditure ~~dur~~ during the year being restricted to Rs.23,976 and met from the sources indicated therein.

4. Correspondence ending with letter No. 1194/36-37 dated 11th May 1937 from the -- Muzrai Commissioner in Mysore requesting sanction to place an additional sum of -- Rs.15,000/- for renovation of the above temples during the current year and to provide a sum of Rs.18,500 in the budget estimates of the Chattram Savings Fund for the year 1937-38 for the purpose.

O R D E R No. cam 54-7 Mysr

Dated B~~angalore~~ the 17th 1937.

~~In accordance with the undertaking approved in the G.O. dated 27th June 1936~~ The provision of Rs.19,000 ~~was~~ made in the budget estimates of the Chattram Savings Fund for 1936-37 for the renovation of the temples referred to above was revised ~~and the amount is al~~ reported to have been paid subsequently. Without limiting the works of renovation t this sanctioned grant, the Executive Engineer Hassan District prepared estimates of the aggregate value of Rs. 29,600 for work proposed to be carried out during 1936-37. Having regard to the special circumstances of the case and also that the savings of the previous years' grants may be made -- available towards the cost proposed to be carried out during the current year the three estimates of the total value of - Rs. 25,130 were also sanctioned, as recommended by the Muzrai Commissioner, the ~~expenditure being limited~~ to Rs.23,976 on account of the work taken up in the year but the Executive Engineer has ~~further asked~~ applied for a further ~~for an~~ additional grant of Rs.15,000/- to be reimbursed from the grant of Rs.19,000/- to be made available from the Chattram Savings Fund for 1937-38, as he considers it desirable to complete all the works taken on hand by the end of June 1937. ~~Deducting this payment of Rs. 15,000/- and even without~~ taking into consideration ~~the~~ a sum of Rs.4,976 ~~made available~~ from the savings of renovation grants of previous years, ~~the Muzrai Department will be liable for the payment of a~~ the grant of balance of ~~Rs.18,500/-~~ sanctioned for the work ~~Rs.18,500~~ to make up the sum of Rs.52,500/ ~~The Executive Engineer~~

25

~~Executive Engineer has foreshadowed in~~ the comparative statement furnished by the Tk. Engr. ~~him an~~ indicates probable further ~~extra~~ expenditure of Rs. 8955/- both on account of the revision of the sanctioned estimates and certain other new works, an the Muzrai Commissioner ~~has~~ stated that it is not possible for the Muzrai Department to meet this expenditure or any sum in excess of Rs.52,500 and that all future expenditure connected with these temples should be met from the budget of the P.W.D.

Sanction the addl. amount of Rs 15000 req^d for works proposed to be completed this year

Government are pleased to observe ~~that~~ the P.W.D. should, on no account, exceed the amount of the estimates already sanctioned ~~and~~ it will not be possible to give extra amounts even in the budget of the P.W.D. for the purpose. ~~The extra grant of Rs.15,000 required will be made available~~ from the closing balance of the Chattram Savings Fund for the year 1936-37 as recommended by the Muzrai Commissioner ~~Necessary provision will be made to meet~~ the balance of Rs.18,500/- req^d for the said items will be provided in the budget estimates of the said Fund for 1937-38.

GOVERNMENT OF THE COMMUNITY OF MYSORE

THE MAHARAJA OF MYSORE.

R e a d:-

Government Order No.1783-88/Rus 130-35-4 dated 27th June 1936 sanctioning the sum of Rs.62,000 required to complete the renovation of the three historic temples at Belur and Halebid from the Chattram Savings Fund, the expenditure being spread over a period of three years.

2. Government Order No.230-31/Rus 317-35-2 dated 10/11th August 1936 sanctioning the Budget estimates of the Chattram Savings Fund for the year 1936-37 and providing Rs.19,000/- for the renovation of Belur and Halebid Temples.

3. Government Order No.1153-6/Rus 91-36-8 dated 17th February 1937 sanctioning ~~three~~ three estimates of the aggregate value of Rs. 23,130 for renovation of the above temples out of the current year's programme, the expenditure during the year being restricted to Rs.23,976 and met from the sources indicated therein.

4. Correspondence ending with letter No.1194/36-37 dated 11th May 1937 from the Rural Commissioner in Mysore requesting sanction to place an additional sum of Rs.15,000/- for renovation of the above temples during the current year and to provide a sum of Rs.18,500 in the budget estimates of the Chattram Savings Fund for the year 1937-38 for the purpose.

****

O R D E R No. Cump 5-8/Mung/Ming 91-36-8

Dated ~~Bangalore~~ Mysore the 17th June 1937

The provision of Rs.19,000 made in the budget estimates of the Chattram Savings Fund for 1936-37 for the renovation of the temples referred to above was raised to Rs.23,976 on account of further work taken up in the year but ~~the Executive Engineer~~ taking into consideration a sum of Rs.4,976 from the savings of renovation grants of previous years but the Executive Engineer has applied for a further additional grant of Rs.15,000 to be re

reimbursed from the grant of Rs.10,000 to be made available from the Chattram Savings Fund for 1937-38, as he considers it desirable to complete all the works taken on hand by the end of June 1937. The balance of grant to make the sum of Rs.92,500/- sanctioned for the work would be Rs. 18,500. The comparative statement furnished by the Executive Engineer indicates probable further expenditure of Rs.9,958/- both on account of the revision of the sanctioned estimate and certain other new works, and the Mucrai Commissioner states that it is not possible for the Mucrai Department to meet this expenditure or any sum in excess of Rs. 92,500 and that all future expenditure connected with these temples should be met from the budget of the Public Works Department.

Government are pleased to sanction the additional grant of Rs. 15,000/- required for work proposed to be completed this year from the closing balance of the Chattram Savings Fund for the year 1936-37 as recommended by the Honorable Mucrai Commissioner The amount of estimates already sanctioned should not be exceeded as it will not be possible to give extra amounts even in the budget of the Public Works Department for the purpose. The balance remaining of Rs.18,5 required for the sanctioned items will be provided in the budget estimates of the said fund for 1937-38.

Mir Sajjad Hussain

For General Secretary to Government

To

The Mucrai Commissioner in Mysore.
The Comptroller to Government.
The Deputy Commissioner, Hassan District.
The Chief Engineer of Mysore.
